7. PLEASE SHARE ANY ADDITIONAL FEEDBACK REGARDING STUDENT ID CARDS:

Elgin	<ul style="list-style-type: none"> • All student photo ID cards expire three years from issuance. If the student's card expires, they can turn it in and get a new one at no cost. • Photo ID's are handled through the Student Life Office • Photo ID's are required for all employees as well. • We will be moving to digital photo ID's over the next 18 months. • We are a Colleague school and our photo ID's use Active Directory to pull preferred name and student ID number from Colleague.
Illinois Valley	We use same card for employee cards as well -- they have access.
Joliet	Thank you for the opportunity to complete this survey.
Lake County	We are considering moving to a digital ID card.
Logan	We are hoping to move toward using a "one card solution" in the next three years that include library, fitness center and possibly linked to Financial Aid distribution.
South Suburban	We offer both physical and virtual ID cards.
Spoon River	We create the majority of our student ID cards during New Student Orientation each fall. During the first week of classes, a student ID event is held to catch those who may not have attended Orientation.
Waubonsee	Students are not required to have an ID card.
